## Job Description

### DESCRIPTION:

This is a full time General/Industrial Maintenance and Repair position working on and locally off-site for an OEM of Orthopedic Appliances in the Metro Detroit area. This position has some special requirements. You must undergo drug screening, pass a physical examination and undergo a reference or security check.

### RESPONSIBILITIES:

Perform and/or direct and coordinate, as needed requisite maintenance activities. Organize and prioritize planned, unplanned and self-assigned tasks seamlessly to meet deadlines. Perform inspections as needed to ensure that machines run smoothly, building systems operate efficiently and the condition of buildings does not deteriorate.

### REQUIRED ABILITIES AND EXPERIENCE:

Candidate must have a professional frame of mind, a positive outlook, be self-motivated, punctual and communicate effectively within the organization and with service/materials suppliers.

Applicants must have experience working with residential and/ or industrial electrical circuits, basic plumbing systems and ability to operate welding equipment; machine repair experience is a plus.

NOTE: Please forward wage requirements with resume.

Employer offers attractive pay and benefits including medical, dental and life insurance, paid holidays and vacation, and participation in 401K plan.

Employer has been in business since 1938 and is an Equal Opportunity Employer.

Interested applicants should send their resume and salary requirements to [BeckerOrthopedicHR@gmail.com](mailto:BeckerOrthopedicHR@gmail.com)
