

Celebrating a Healthier Detroit Expo

Save the Date for the 2nd annual “Celebrating a Healthier Detroit” Expo, a full-day event, held on Saturday, August 27, 2011 from 10:00am–6pm, at the Athletic Field on beautiful Belle Isle Park in the heart of Detroit, Michigan. The purpose of this event is to reduce health disparities in metro Detroit by bringing together the greater health and wellness communities to educate families about this issue and to share programs that are free and/or low-cost, especially for metro Detroit residents who are ‘uninsured and under-insured’.
