

City of Detroit

CITY COUNCIL

KENNETH V. COCKREL, JR.
COUNCIL PRESIDENT

August 6, 2009

Greening Detroit, LLC,

This letter is to acknowledge a stated endorsement for Greening Detroit, LLC and its movements and efforts through www.GreeningDetroit.com.

GreeningDetroit.com will be providing education, opportunities, and discussions of advancements on green projects and services to our communities and individual citizens. Furthermore, their community outreach will provide a means to one-stop-shop products and services that either reduce consumption, are sustainable, and /or healthy for us or our environment.

Greening Detroit, LLC is planning to join our family of Detroit companies, by locating their office at Tech Town, in the center of our community. Through GreeningDetroit.com and their creative visions on "Metro Detroit's Future for a Better Tomorrow," the City of Detroit supports their combined efforts and looks forward to assisting and informing its citizens of such a benefited site.

Since March, 2007, I have chaired The Green Task Force, the mission of which is to educate the Detroit community on green principles and encourage the implementation of green practices in new construction, existing buildings, neighborhood communities, and government operations. I look forward to partnering GreeningDetroit.com with the Green Task Force, along with other valuable Detroit resources, to carry out such mission.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Cockrel Jr.", written over the typed name.

Kenneth V. Cockrel, Jr., President
Detroit City Council

RICHARD J. BOWERS, JR.
ATTORNEY, GREEN INITIATIVES
