IN

THE CITY OF DETROIT

DETROIT, MICHIGAN

The City of Detroit Building, Safety Engineering, and Environmental Department is submitting two proposals for FY 2011 Brownfields Assessment Grants for Hazardous Substances and Petroleum Sites in response to the US Environmental Protection Agency Notice of Funding Availability under the Small Business Liability Relief and Brownfield Revitalization Act.

Copies of the Brownfields Assessment Grant Proposals for Hazardous Substances and Petroleum Sites will be available September 29, 2010 to October 14, 2009 during regular business hours for review and comment at:

City of Detroit
Building, Safety Engineering, and Environmental Department
Attention Mr. Raymond Scott
660 Woodward Avenue, Suite 1800
Suite 1800 First National Building
Detroit, Michigan 48226

Comments on the Brownfield Assessment Grant Proposals for Hazardous Substances and Petroleum Sites can be mailed to the above address or emailed to Mr. Raymond Scott, General Manager, at scottr@detroitmi.gov
