**Job Description**

This position is for an immediate opening in our warehouse in Northville that inspects, ships, and receives the electronic parts for a large car company. We are in need of a person who has **very strong** experience driving a HiLo, loading and unloading trucks with material in particular. The shift is 7am to 3:30pm Monday through Friday, with some overtime. This overtime could be on some Saturdays, as well as an hour before or after your shift time during the week. This is a full time, long term temporary position working with the logistics company. The starting pay rate for this position is \$10/hr, and there is some opportunity to move up with Anchor Staffing or get hired in with the automotive company. Anchor Staffing offers benefits and a 401k plan. We are looking to begin interviews as soon as possible, so please send your resume to [gdonnelly@acrocorp.com](mailto:gdonnelly@acrocorp.com), or fax it to 313-937-1916. Client requires the candidate to pass a full background check and drug test. Reliable transportation is preferred.
