MISSION STATEMENT

SHAR, a Michigan based corporation has as its mission *"The development and operation of quality substance abuse treatment facilities and programs providing necessary support services for all clients meeting admission criteria, including those with co-occurring disorders. The philosophy of treatment is based on the principles of the Therapeutic Community model in conjunction with components of behavioral health and medical sciences as appropriate. Services shall be offered to clients consistent with available SHAR resources regardless of their ability to pay."*

SHAR'S EXECUTIVE TEAM

- **Dwight C. Vaughter**, LMSW, ACSW, CAAC, CCS-M, Dip-CFC has labored in the human service field since 1980, providing the necessary leadership to many mental health, substance abuse and other behavioral healthcare programs, both locally and nationally. With a MSW from U of M and numerous other certifications of competence, Dwight is a strong believer in the recovery process.
- **Robert M. Connolly** ("Bob") is a detail oriented executive with exceptional organizational skills and B2B marketing/sales experience. Bob has over 30 years of experience in healthcare with proven expertise in business development, program management, SWOT analysis, and other skills to move SHAR forward.
- **Gary Wozniak** is a seasoned entrepreneur skilled in the arts of business, finance and corporate team building. Gary brings 30 years of financial management expertise to the SHAR team with an emphasis on project design, development and implementation.
- **Wilson Suprpto**, SHAR's Controller has earned B.B.A. in Management with economic and financial experience in diverse business settings. With attention to details, Wilson balances fiscal matters with excellent customer service.

Self Help Addiction Rehabilitation

KEY CLINICAL/ MEDICAL TEAM MEMBERS

- **Raymond Edison, M.D.** graduated from WSU School of Medicine in 1976 with specialization in Internal Medicine. In his capacity as SHAR's Medical Director since 1997, Dr. Edison has served substance abuse and mental health recipients from detoxification to discharge while managing the full spectrum of their presenting medical concerns.
- **Dana MacMillan, M.D.** has distinguished herself over the last several years as the Psychiatric Director of SHAR. As Dr. MacMillan treats individuals with substance abuse and/ or psychiatric disorders, she has demonstrated expertise in her ability to diagnose and to implement the appropriate pharmacological interventions. With memberships in the Michigan Psychoanalytical Institute, the American Psychoanalytical Association and several other professional groups, Dr. MacMillan is able to apply several of the "talk" therapies as well.

CORE PROGRAM/ SERVICES

SHAR is a multi-modality agency providing a continuum of substance abuse services ranging from ambulatory detoxification, residential, intensive and traditional outpatient treatment, residential aftercare and prevention services. In addition to the women and children's program, SHAR has specialty programs for men, employed persons, individuals under correctional supervision (i.e. parole or probation), and individuals with co-occurring disorders.
