

# SMART Bike Rack/Stand Program

- SMART will pay the cost and shipping of the bike rack/stand after agreement by both parties on the cost. SMART will do all ordering of the racks/stands through its procurement process.
- The recipient is allowed to pick the rack/stand of their choosing, color, style and manufacturer.
- The rack/stand recipient will bear the costs of maintenance and installation and whatever permits may be necessary.
- SMART will be allowed to place a plaque/notice stating something like the following: “Bike Rack Courtesy of SMART with bike accessible buses. (866) 962-5515 [www.smartbus.org](http://www.smartbus.org)”
- The bike rack/stand must be fastened to the ground with a permanent mount.
- The bike rack/stand will remain the property of SMART.
- A \$2,000 limit is placed on each request.
- The bike rack/stand must be placed within the SMART service area.

The following bike racks/stands are examples of the wide variety available. The individual designs/colors are to be determined by the property owner so they enhance the surrounding area.
