Dear U.N.I.T.Y Supporter:

Subject: Donations

U.N.I.T.Y (Uniting Neighborhoods and Inspiring Today's Youth) is an organization designed to develop neighborhoods, with the goal of bringing cohesion and comradery back to the community. U.N.I.T.Y will play an instrumental part in assisting today's youth in fulfilling their dreams with recognizing their talents and ambitions.

U.N.I.T.Y will take on the initiative in keeping today's youth on the right track in life. We will inspire today's youth with specialized programs and community service in their neighborhood. U.N.I.T.Y will transform parks and use community service projects to generate the unity neighborhoods need or desire. We are sending this letter out because your support is always needed. We feel it will take us all to make Detroit a better place to live in and our youth better people to live with.

We are sending you this letter in regards to asking for monetary donations and/or in-kind. This cry for help can be answered in anyway. We have sent our wish list with this letter to show how you and/or your company can help U.N.I.T.Y. We need everything and with your help our seeds may flourish and grow; to bring finer things to those that before now would not have, but at little or no cost. At this time, U.N.I.T.Y would like to thank you for taking the time out to even consider reading this letter and we look forward to hearing from you in the near future. If you have any questions, please give us a call at (313) 989-7876. Thank you in advance and God bless.

Enclosure: Brochure

Sincerely,

Jonathan Parker

Founder & President
